In forwarding herewith, in riginal, report No M1 & 890-294/41-42 dated 31st March 1943, received from the Sub Division Officer, Shimoga on the subject noted above, I have the honour to state as follows :

The Municipal President reports that there was great necessity of providing a drinking water well in Nyamati Town for the use of the public One Mr Soge Veerabhadrappa of the place, signified his intention (by means of an application dated 14-4-1940 addressed to the Municipal President) to the effect that he was prepared to donate Rs 500 for the purpose of constructing a well for the use of the public on condition that the well to be sunk be named in his name He accordingly donated Rs 500/- and the same was credited to the general funds of the Nyamati Municipality on 30-4-1940

An estimate [redacted] 1070/ was got prepared for the purpose, by the Assistant Engineer Shikaripur Division and the same was sanctioned by the Municipal Council at its meeting held on 20-4-1940 The well work in question was disposed of under basis and the work is reported to be in progress

As to the cost of the well work which is estimated to cost Rs 1,070/- the Municipal Council has agree to bear the excess cost of Rs 570/- over and above the donation amount of Rs 500/- (donated by Mr Soge Veerabhadrappa) from out of the closing balance of the Municipality

As the donation already offered in this connection has to be

7692/2

has to be accepted by Government, the Municipal Council has pas a resolution on 28-3-4, to the effect that the required sanction might be obtained in this connection and to permit the Municipal Council to pay for the well work done so far from the Municipal Funds which includes the donation amount of Rs 500/--

It is ascertained from the Municipal President that such a sanction has not yet been obtained He adds that the circumstances under which it was not obtained before receiving the donation amount cannot be explained by the present office bearers

The Sub Division Officer, Shimoga states that the well work in question is almost completed nd only a little work remains to be done to complete it He recommends that the resolution of the Municipal Council dated 28-2-43, might be sanctioned

In the circumstances I request that sanction of Government may kindly be obtained to accept the donation of Rs 500/- made by Mr Soge Veerabhadrappa of Nyamathi Town in April 1940, for the purpose of constructing a well and to name the said well in the name of the donor, as "Mr Soge Veerabhadrappa's Charity Well

On receipt of sanction of Government in this respect, arrangements will be made to pay the bill amount of the well work, meeting the cost from the donation of Rs 500/- already merged in the Municipal funds and the balance cost will be charged to the general revenues of the Municipality
